MEMORANDUM FOR: Director of Training

SUBJECT: Briefing of Wives of Junior Officer Trainees

REFERENCE: Memorandum to DD/S from D/OTR, 27 February 1957

1. I am very much interested in the decision to brief the wives of JOT's.

2. May I urge that you consider including in this group the wives of other professional employees. There are two reasons for doing this; first, to take care of the obvious needs of these wives as well as the wives of JOT's; and secondly, to avoid any indication to the ladies so assembled that their husbands are members of a select group.
